HeatBlock™ Technology: HeatBlock™ Technology incorporates infrared reflective pigments that help dissipate heat build-up and reduce fiber emissivity by as much as 20% cooler than similar artificial turf products.

Heavy Metal Compliant: SYNLawn guarantees that every product made meets EPA, Consumer Product Safety Commission, Prop 65 and all California requirements and have been tested.

LEED®: All SYNLawn products can contribute to LEED® points in the categories of Sustainable Sites, Water Efficiency, Materials & Resources and Innovation in Design.

***Manufacturer Warranty:** 15 year warranty is based on installation provided by SYNLawn Certified Installers. Warranties up to 12 years for non-certified installations.

****IPEMA:** IPEMA Certified products are required to be used in conjunction with SYNLawn Playground System installation specifications as per ASTM F1292-09.
